

The LPFM stations should NOT take priority over existing stations using the FM translators. Stations like K-Love serve the community in many ways - The staff pastors are there to talk to people who might otherwise commit suicide, and they bring new christians into the fold. It's the only station in the area that I would allow my children to listen to. No profanity, hate songs, sex songs, etc.. Without K=Love this type of broadcasting wouldn't exist. Many people get discouraged by day to day life, and wonder if there is any good left in the world. K-Love and the message it sends helps us to see that there are still good people and good things happening every day. Do NOT let LPFM stations have priority over FM stations like K-Love.
